

Prayer for a Time of Public Health Concerns

*Since the moments of our life unfold, O God,
according to your good pleasure,
receive the prayers and sacrificial offerings
by which we implore your mercy
for our brothers and sisters who are ill,
that, having been anxious for them in their danger,
we may rejoice at their recovery of health.*

*For scientists, health professionals, public officials,
and all who are serving the common good in this
difficult and uncertain time, may they be
filled with wisdom and understanding.*

Amen.

Pray: Our Father - Hail Mary - Glory Be
