### “The Nativity School Song”

Nativity, Nativity, we revere thy blessed name.

With joyous hearts we sing thy praise,

Nativity, Nativity.

We love our colors blue and white.

They stand for what is pure and right,

And as we pass from year to year,

Thy name and colors we will cheer.

Let us raise our voices, sing with all our might,  
Dressed up in our uniforms colored blue and white.

We are proud to say that Nativity's our school,  
And we'll try hard not to break even a single rule.

So, when we leave this old school of Nativity,

We'll remember it through all eternity.

We'll boost it to the sky in our travels far and wide.

We'll always talk Nativity no matter what be tide.
